

Workshop

Entrepreneurship: behavioral and cognitive approaches

November 9th-10th, 2017

EM Strasbourg Business School, University of Strasbourg

*LaRGE Research Center, University of Strasbourg, will organize a workshop on **behavioral and cognitive approaches in entrepreneurship** on 9th and 10th of November 2017. The workshop aims to bring together all researchers working on any behavioral or cognitive aspect of entrepreneurship.*

Call for papers

Any empirical, or theoretical or methodological research on the following topics (not exhaustive) is welcomed:

- Entrepreneurs cognitive bias
- Entrepreneurial behavioral finance
- Entrepreneurial behavioral strategy
- Methodological issues in behavioral and cognitive approaches in entrepreneurship
- Experimental methodologies in entrepreneurship
- Psychology, cognition, and entrepreneurship
- Entrepreneurial team and group rationality
- Linking growth attitudes and entrepreneurial cognition
- Conceptual importation from other scientific fields: economics, psychology, sociology
-

The workshop will be built around different sessions types:

- Full paper sessions
- Research project, work in progress sessions
- PHD sessions
- Roundtables : on methodological issues, financing research, network building, etc.

Submissions can take several forms:

- Full papers

- Working papers
- Extended abstracts
- Outline of the PhD dissertation
- Presentation proposals (for roundtables)

There is no conference fee

Proposals can be submitted to webcongress.em-strasbourg.eu/ebca2017 before June 30th, 2017.

Authors of accepted papers will be notified on July 20th, 2017.

We look forward to welcoming you in Strasbourg.

The organizing committee :
Dr Anne-Gaëlle Figureau, Pr Anais Hamelin, and Dr Marie Pfiffelmann.
